2020 Building Hope Holiday Program

Artemis Center is gearing up for our 2020 Building Hope Holiday Program! If you are interested in getting involved by adopting a family, volunteering, or hosting a drive, please reach out to our holiday program team at BHHP@artemiscenter.org. Returning donors can expect to receive a communication to sign up in the coming weeks.

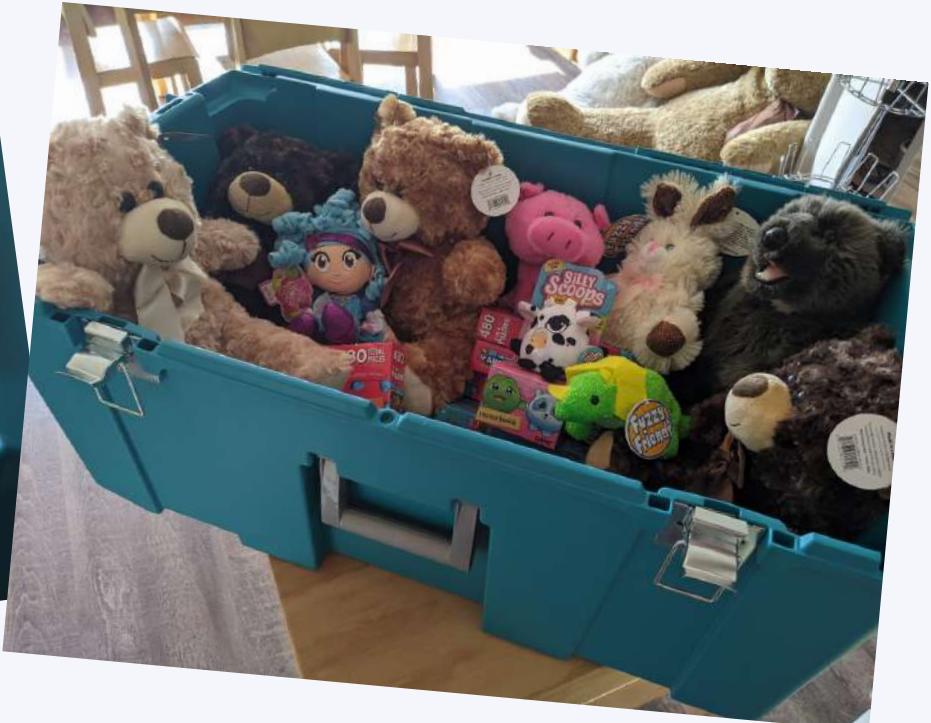

For the health and safety of our staff and clients, Artemis Center will primarily be providing our families with gift cards for the holidays. If your family, organization, or company would like to provide gift cards for a family, please reach out! Our Building Hope Holiday Program would not be possible without our community.

A Note from Artemis Child Therapists

The Child Therapy program at Artemis Center helps to promote positive behaviors in each of our young clients. At the end of each therapy session, we invite each child to pick out a toy or special treat as a positive reinforcement for showing non-violent and appropriate behavior during their session. This tradition gives children the chance to make choices and even correct negative behavior without feeling guilt or shame. This also teaches parents and children about consequences. These small gifts make a BIG difference! We are so grateful to two very special donors who provide toys for our Children's Therapy program every year! Not only did Kathy and Jean provide stuffed animals and other special toys this year, but they also provided a big bedazzled toy chest for the kids to choose their prize from. Kathy and Jean spent most of their life working with kids, and understand how crucial these small tokens of care and comfort can be, especially in difficult times like these.

We are so grateful to these women for their ongoing support and care for our Children's Therapy kids!

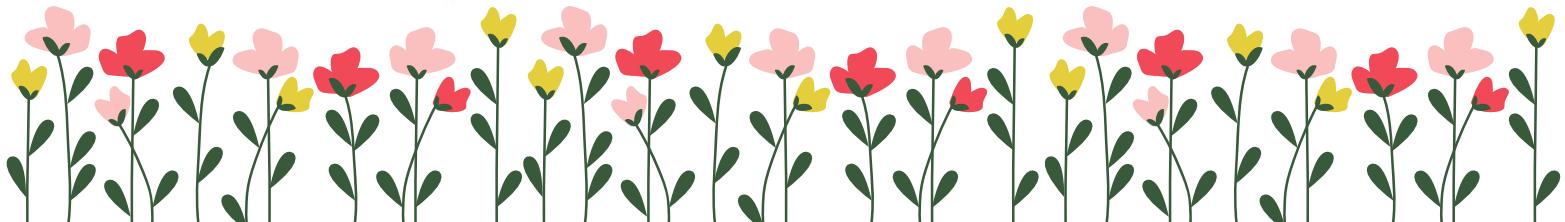

In Memory of Artemis Center Friend, Barry Clark

Barry Clark was a wonderful supporter of Artemis Center and our mission. Barry passed away on September 16, 2020 and we would like to acknowledge him and all the great encouragement he has given to us. Barry was instrumental in securing funding for our building renovations in 2016. He and his wife Nympha are longtime Artemis supporters. Not only was Barry a wonderful friend to Artemis, but he was my friend personally and we will all miss him.

Jane Keiffer, MSW, LISW-S
Executive Director

A handwritten signature in blue ink that reads "Jane Keiffer".
